CAREGIVER GROUP

Caregivers often need support and information when their child has been abused.

A time-limited Caregiver Group for non-offending caregivers of children who have been victims of sexual abuse is being offered through a collaboration between the Children's Advocacy Center of Suffolk County and the Trauma Center at JRI.

Time: Thursdays, 3:30 – 5:00pm

Dates: TBA (8 weeks)

**Location: Children's Advocacy Center
989 Commonwealth, Boston**

Topics will include:

- General information on sexual abuse and trauma
 - How the various agencies respond
 - Impact of abuse on children
- Effects on caregivers and the extended family
 - Supporting your child

** No cost for the group and free Childcare will be available **
