MBHC is looking for a licensed and experienced child and family clinician interested in augmenting their professional activities by joining our Acton Clinic. The clinician will receive outstanding supervision, ongoing clinical training, and competitive compensation. A minimum of 16 hours of direct clinical service is required per week, reimbursed on a fee-for-service basis. Clinicians must be available to see clients between the hours of 2pm-8pm three days per week and must be available to attend our weekly team and didactic training series on Fridays from 10-12. Candidates must be a MA-licensed LISCW, LMHC, Ph.D. or Psy.D. and have 5 years post graduate experience. Hiring priorities will be based on demonstration of expertise in the aforementioned specialties.

Interested applicants should send a letter of interest, resume/CV, 3 references, and 1-3 letters of recommendation to Dr. Marla Zucker, Program Director at Metrowest Behavioral Health Center at the address below, or by email at: mzucker@jri.org. Applications accepted until the position is filled.

JRI is an equal opportunity employer and actively seeks candidates from diverse backgrounds including women, communities of color, the LGBT community and people with disabilities.
