

NOW HIRING!!!
Psychopharmacologist for Children and Adults
In our Brookline and Acton, MA Offices

The Trauma Center and Metrowest Behavioral Health Center at Justice Resource Institute have openings for a part-time psychopharmacologist in our Brookline and Acton, MA offices. We are looking for a committed psychiatrist or psychiatric nurse practitioner interested in joining a stimulating and supportive community of professionals, dedicated to serving children, adults and families impacted by trauma & life adversity, and receiving extensive training opportunities to expand their expertise. Clinicians will be working at an internationally recognized center for the assessment and treatment of Traumatic Stress, practicing as part of an intelligent and motivated team of trauma specialists.

This position will involve 4 hours per week seeing patients for medication management, rotating between the Acton and Brookline locations each week. Pay is commensurate with degree and experience.

Eligible Candidates **must**:

- Have experience prescribing psychiatric medications to children, adolescents and adults.
- Be able to commit a 5-hour block of time per week
- Be an MA-licensed M.D. or advanced practice psychiatric nurse (NP/psych CNS).

The Trauma Center/MBHC offers you the following:

- Excellent reimbursement rates
- State-of-the-Art Training
- Free and reduced-cost Seminars and Conferences
- Highly skilled Team members

If you have questions, please contact Dr. Marla Zucker. To apply, send a letter of interest and resume/CV to Dr. Marla Zucker, Program Director at the Trauma Center by email at: mzucker@jri.org. Applications accepted until the position is filled.

JRI is an equal opportunity employer and actively seeks candidates from diverse backgrounds including women, communities of color, the LGBT community and people with disabilities.
