

TCTSY Clinician Consultation Group

The Trauma Center Yoga Program is now offering a monthly 60min consultation group to mental health providers who have completed a minimum of a 2-day training in Trauma Center Trauma Sensitive Yoga (TCTSY). The purpose of this group is to offer clinicians who have attended a training in TCTSY an opportunity to receive feedback and support on how to integrate some elements of TCTSY into their unique clinical setting and population. The group will be held utilizing video conferencing so participants can join from any geographic location. The consultation group will be led by Jenn Turner, LMHC, RYT, Yoga Program Coordinator at the Trauma Center. For more information on Jenn click here:
